

Caring Dads

A 17 week program for dads who want to improve their relationships with their children by looking at their own behaviour

Caring Dads is a group intervention program for dads who want to improve their relationship with their children. This program explores the impact that exposure to Domestic Violence or abusive behaviors has on their relationships.

Intake sessions available now

Pre-group intakes sessions are held to ensure the group is right for you. To book an appointment call Luke or Kira on 6551 1800

When: Commencing Monday 12th August

Time: 10am – 12.30pm
