

YOUNG PARENTS GROUP

Commencing, Monday 11 January 2021

Supported playgroup for parents aged 25 years and under with children from birth to five years where you can:

- Learn new skills and knowledge about your child's developmental needs, parenting issues, nutrition, and other areas of interest identified by parents; and
- Support your child's social and emotional development through play.

These sessions are an opportunity for you to share parenting experiences with others and for you and your children to develop friendships.
